

Sponsors and Advertisers for SBPSL Website

We are assembling a list of people and companies that will **advertise** or **sponsor** (or **BOTH**) on the new website. We do not have confirmed formats or pricing yet, but I would like to get a poll on those who might be interested in doing so. I would like to contact Managers & Players to get their interest, and hopefully their participation.

1. The minimum annual cost would be a simple one-line advertisement – much like you see in a newspaper ad, at **\$20.00 per year - SAMPLE:**

AmZec Insurance Services, Inc. (310) 200-2540 john.sloway@amzecinsurance.com We Specialize in Insurance for Companies!

2. The next step up in Ad quality would be for **\$50.00**, and would include a hot-link to the company website, two or three lines of ad space, and probably a larger font.
3. The next level would be for **\$125.00**, and would be something more like a small “banner ad”, but not as big or as colorful as the Premiere Banner Ad site below.
4. On the top end, we are looking at a full “banner ad” format, or perhaps a framed color ad and / or a sponsor insert. Cost would be **\$200.00 per year**, because my company (AmZec) is going to be a participant in that, and that’s as much as I have paid on other sites. Sample:
